EXPERIENCE

DIRECTOR & LEAD ANIMATOR

Broadway Blues – SVA 3D Animation Thesis Musical Film
(2023 - 2024)

- Directed and conceptualized the film's narrative, visual design, and character concepts, showcasing strong leadership and creative storytelling.
- Executed lead character animations and supervised the look development for all 3D character models, ensuring consistency and quality.
- Managed a team of three collaborators, gaining hands-on experience in production workflows and asset modeling.
- Oversaw animation contributions from assistants to align with the film's overall vision and standards.

VIDEOGRAPHER

Freelance | Times Square Dance Projects
(2022 - Present)

- Film dynamic dance videos, both freelance and under MediaLab NYC, a film studio specializing in NYC-based video production services.
- Use Sony FX3 camera and DJI RS 3 Pro stabilizer to capture professional, cinematic footage.
- Direct on-set visuals to enhance storytelling through innovative camera work and movement.
- Edit footage in Adobe Premiere Pro, delivering polished videos for YouTube and social media.
